

Are you heading off to **Kindy** in **2020**?

Have you thought about **Out of School Care**?

Bayswater Child Care Association also does **before** and **after** school care.

And, we have awesome **vacation care** programs that run every school holiday too!

Cooking, Craft, Sports, Games, Homework club, Excursions and more... our programs are always changing and always a hit with the kids.

Our locations are:

Bayswater: 13 Roberts St

Maylands: 5 Richard St

Morley: 2 Dorking Place (Weld Square Primary)

Our educators meet and **pick up** your child from the school. Then it's either a supervised walk or a short ride on our new **Morley bus**.

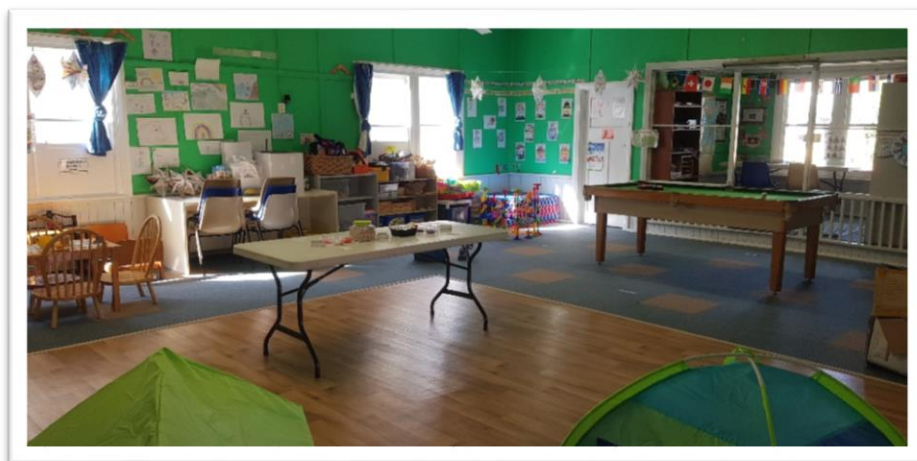

We are holding a 'on location' **parent information session**

Wednesday 18th December

6.00 - 6.30 pm

You can bring your child or just sneak down and visit our closest centre for yourself.

You can also check out www.bayswaterchildcare.com.au to see the location map, opening times and enrolment info.

P. S It's a great way to stay in touch with the friends you've made in day-care, even if you are going off to different schools. Instead of goodbye, you can say...

'See you there at **Out of School Care!**
